## **Bosnia and Herzegovina**

## Road Modernization in Federation of Bosnia and Herzegovina

## Loan No.8640 IBRD and 24315 EIB

Assignment Title: Supply and Installation of Road Asset Management System

## Reference No. BA/FBH/FRSMP/ICB/37/G/18

Bosnia and Herzegovina has received loan from the International Bank for Reconstruction and Development toward the cost of Federation Roads Sector Modernization Project and it intends to apply part of the proceeds of this loan to payments under the agreement(s) resulting from this IFB: Supply and Installation of Road Asset Management System.

The JP Ceste Federacije BiH d.o.o. serves as the implementing agency for the project and now invites sealed bids from eligible Bidders for Supply and Installation of a Road Asset Management System (RAMS) used to process road data such as inventory, condition, and other related data, for road monitoring, planning and programming, and life-cycle cost analysis purposes.

Bidding will be conducted using the International Competitive Bidding (ICB) procedures specified in the World Bank's Guidelines: Procurement under IBRD Loans and IDA Credits, edition of January, 2011, and is open to all Bidders eligible as defined in these Guidelines,5 that meet the following minimum qualification criteria:

- Professional Experience and Capabilities
- Personnel capability
- Financial viability

A complete set of bidding documents in English language may be given to interested Bidders on submission of a written application to the address below:

The document will be sent by e-mail and, upon request, or in a hard copy by courier. Costs of courier services shall be borne by the bidder.

Bids must be delivered to the address below 7 at or before August 8 2019, 12:00 (local time). Bids need to be secured by a Bid Security. The amount of Bid Security required is EUR 20.000. Late bids will be rejected. Bids will be opened in the presence of Bidders' representatives who choose to attend at the address below at 12:00 local time on August 8, 2019.

The attention of prospective Bidders is drawn to (i) the fact that they will be required to certify in their bids that all software is either covered by a valid license or was produced by the Bidder and (ii) that violations are considered fraud, which can result in ineligibility to be awarded World Bank-financed contracts.
